TimberTech® Composite Decking: the look of wood with less maintenance

TimberTech
Less Work. More Life.

- Resists Scratches & Stains
- Resists Splinters
- Resists Fading
- Resists Mildew & Mold
- Wide Variety of Color Choices

the new and
innovative wood
choice for decks
and rails

Pakari

- Thermally modified clear, moulding grade Radiata Pine
- More durable, straighter and lighter than unmodified wood
- Insect and decay resistant
- Easy on bare feet-less heat absorption
- Tropical, exotic hardwood appearance
- Sourced exclusively from FSC® certified tree plantations

Pricing Good 5-1 to 5-31, 2018
While Supplies Last
