Select the theme that best represents your style.

○ TRADITIONAL

Details and texture help give a traditional kitchen interesting layers. StarMark Cabinetry has many doors and finishes that can star in a kitchen, or step back and let stone and granite take center stage.

○ TRANSITIONAL

Traditional favorites like wood cabinetry and tile floors blend well with sleek surfaces such as glass and steel. StarMark Cabinetry has many door styles and finishes that hold their own against expanses of contemporary materials. You can have warm and inviting, and a contemporary feel, wrapped into one living space.

○ CONTEMPORARY/MODERN

The clean lines of a contemporary kitchen make a big impact. In a modern kitchen, it's the job of the cabinetry to provide a subtle backdrop for dramatic tile and art. StarMark Cabinetry offers several door styles and finishes that will work well for contemporary kitchens and other rooms. Try Aero, Monroe and Tempo wood doors and Bamboo, Rosewood and Wenge Exotic Veneers.
